ATTACHMENT F

VMI CONTRACTOR / VENDOR STANDARDS OF CONDUCT

The contractor shall be responsible for controlling employee conduct, for assuring that its employees are not boisterous or rude, and are not engaging in any destructive or criminal activity.

Foul language of any kind will not be tolerated. Engaging in verbal or physical behavior that causes distress to cadets, faculty, staff and/or employees will result in immediate removal from the job site.

All employees of the contractor and subcontractors shall wear uniforms or other appropriate Institute approved attire at all times to designate their affiliation with the contractor.

Brandishing a firearm, whether threatening or non-threatening, will result in immediate removal from the job site.

Contractor's employees who appear to be under the influence of alcohol or other substance shall not be permitted on VMI property.

Contractor's employees shall not use VMI owned equipment without the distinct permission of the Director of Physical Plant or Director of Construction or their designees. This equipment includes but is not limited to telephones and computers, hand tools and operable equipment.

The contractor is also responsible for insuring that its employees do not disturb papers on desks, or open desk drawers, cabinets or briefcases, or use the Institute equipment and the like, except as authorized in the preceding paragraph.

Smoking is not permitted on Post or at other VMI owned property except in designated areas as indicated by **General Order 45**. Tobacco use in VMI-owned or leased buildings, covered walkways, temporary enclosed structures, trailers, and tents as well as structures placed on state-owned property by contractors or vendors is prohibited. Tobacco use in VMI provided vehicles is prohibited. Outside smoking or tobacco use will not be permitted within 50 feet of building entrances or exits. Smoking will not be permitted in outside areas identified as hazardous areas.

FIRM INTRODUCTION

Richmond Primoid was incorporated in 1947 in Richmond, Virginia. The company has been, and is currently, a local family-owned business. We have specialized in structural restoration and waterproofing for more than 70 years. Our clients include many of the engineers and architectural firms in Richmond and the Tidewater area. Richmond Primoid, Inc. has worked with municipalities, universities, hospitals, industrial clients and historical organizations.

Richmond Primoid, Inc. is an equal opportunity employer, basing all employment decisions on individual applicant and employment qualifications, skills, and abilities, not on age, race, creed, religious beliefs, sex, marital status, national origin, or a non-disqualifying handicap. This holds true for our selection of suppliers and/or subcontractors.

We own sufficient equipment to erect swing stages and proper fall protection equipment. We can provide various specialty equipment such as Edco Concrete Planers and "dustless" Sawtec Grinders, as well as our own air compressors and air tools.

Richmond Primoid, Inc. is an active member in the Sealant, Waterproofing and Restoration Institute (SWRI) which keeps us abreast of the changes in technology in our industry. We are also trained and/or licensed applicator for many of the systems we employ.

Richmond Primoid, Inc. has a safety program in place. Additionally, we have attended various safety seminars offered privately and by industrial clients.
