**Response to Understanding of Requirements Request:**

“The contractor shall mail all copies of The Bomb to the homes of the recipients no later than 15 August of each year.”

- Q) Is the full cost of packaging and mailing the yearbooks to be included in the base price on Page 16? Where do the majority of these yearbooks get mailed?
- A) The full cost of packaging and mailing the yearbooks should be included in the base price on the page 16 response sheet. Approximately 61% of these yearbooks are mailed in Virginia. The remaining volumes are mailed to 44 states and 7 countries.
